The screenshot shows a web browser window with the URL <https://www.jotform.com/211753260247047>. The form is titled "Case Classification" and features a dropdown menu with the following options: IPC_Patent - Cancellation ID, IPC_Patent - Cancellation UM, IPC_Pat - Comp License (ID), IPC_Patent - Cancellation Inv, IPC_Pat - Comp License (UM), IPC_Pat - Comp License (TV), IPC_Trademark - Cancellation, **IPC_Trademark - Opposition** (highlighted), IPV_Infringement on Patent, and IPV_Infringement on Trademark. Below the dropdown is a field for "Affected Reference Number" with the example text "e.g. PH/4/2021/123 or PH/1/2021/123" and a small explanatory note. Further down are input fields for "Opposer Name", "Address", and a "Country" dropdown menu set to "Philippines".

The screenshot shows the same web browser window, but the dropdown menu is closed. The form fields are now: "Opposer Name" (empty text input), "Address" (empty text input), "Country" (dropdown menu set to "Philippines"), "PDF File" (a dashed box with a cloud icon, "Browse Files" text, and "Drag and drop files here" instruction), "Filing Date" (text input containing "12/07/2022" and a calendar icon), and a "Date" label below it. A "Review Data" button is located at the bottom right of the form.
