STANDING COMMITTEE ON INFORMATION TECHNOLOGIES

ANNUAL TECHNICAL REPORT

2001

ON INDUSTRIAL DESIGN INFORMATION ACTIVITIES*

submitted by

INDONESIA

An annual series of reports on the industrial design information activities
of members of the Standing Committee on Information Technologies

*

- The expression “industrial design” covers designs and models.
- Information related to design patent activities reported by industrial property offices issuing design patents is included in this series of documents.

**ANNUAL TECHNICAL REPORT ON
INDUSTRIAL DESIGN INFORMATION ACTIVITIES**

submitted by

INDONESIA

I. Evolution of registration activities.

The changes experienced in terms of application filings and grants cannot be comparable because the industrial design registration just opened since the year of 2001.

II. Matters concerning the generation, reproduction, and distribution of industrial design documents and of secondary sources of industrial design information.

- The industrial design publications are printed on the printer and copied with the photocopy machines. The publications are enclosed in this report. For your information, DGIP website is still in Indonesia Language. Translating in English language is still in processing.
- The Industrial Design official gazettes are still in processing.
- The announcements of the Office in the field of industrial design information can be read in the DGIP website (<http://www.dgip.go.id>) or in the form of paper.
- The mass storage media and microforms are hard disk and CD (Compact Disk).

III. Matters concerning classifying, reclassifying and indexing of industrial design information

- The system of classification and reclassification is using Locarno classification.
- For the process of searching is using the bibliographic data.

IV. The special storage room is still not available. For the time being, the storage is saved in the form of CD box.

- V. Activities in the field of computerized search systems for industrial design cannot be processed yet, except the publication data.

- VI. For the administration of industrial design services can be coordinated or discussed with Information Technologies Department (email: sommeng@dgip.go.id) and Cooperation Department(email: ardanta@dgip.go.id).

- VII. Matters concerning mutual exchange of industrial design documentation and information can be coordinated or discussed with Information Technologies Department and Cooperation Department.
